

# Baileys Campground

## User Agreement Form

Welcome! The following is a list of items that ensure the safety of all our guests, the owner and our neighbors and provides for the peaceful operation of the campground. Please read and acknowledge your consent.

1. No pull behind campers or in-car camping in sites 1-25. Sites A-E do allow for pull behind campers, or cars driven right up to the reserved campsite.
2. The maximum length of stay is 7 days.
3. No pets allowed without prior approval. If you are the only guest for that given night, exceptions can be made.
4. Dispose of trash and recyclables in designated receptacles each night. Racoons and opossum like to get into everything. Sites must be free of trash prior to departing at the end of your reservation.
5. Fires are only allowed in the designated fire rings or burn pits. Never on the access road, there is still a lot of coal in the area and underground and we can't risk a coal seam catching fire. During the months of March-April-May, and again in October-November, fires are not permitted between the hours of 6am to 6pm.
6. Campground quiet hours are 10pm-7am. No fireworks-risk of a forest fire is too great.
7. If an issue arises that requires assistance, the owner's home is the next drive up from the campground entrance. The mobile number is 740-797-3126. In case of emergency call 911.
8. If you need something shipped to you during your stay the address is:  
9730 McDougal Rd. Millfield OH 45761
